

NORTH POINTE COMMUNITY CHURCH

Northeast Edmonton Campus
Information Package

Our Vision

The Vision of North Pointe is to bring Real Hope, New Life and Lasting Purpose through a relationship with Jesus Christ to the people God has placed in our path. Each week hundreds of people come from Northeast Edmonton join us at our Edmonton Campus. The northeast area of Edmonton has a population of over 400,000, and yet it is underserved when it comes to Gospel witness. We want to do something about it!

With prayer and consultations with our staff, Elders and Board, we have decided to open a new campus in Northeast Edmonton on Easter Sunday 2025. This is a step of faith, but we know that North Edmonton needs to be served in both the western and eastern quadrants. We have a very capable and willing leader in Aaron Johnston who will be our Campus Pastor, and many people have already committed to making this their new church home...and we are believing that MANY who don't yet know Jesus as their Saviour will be reached by our obedience to go into uncharted territory. Please consider if this is where God would be calling you for this season, and regardless of what North Pointe Campus you call home, please continue to pray and give generously towards this exciting campus launch.

Blessings,

Pastor Michael Voll

Lead Pastor

A message from our Campus Pastor

"Why wouldn't we do this?"

These are the words my wife Ashley responded with when I told her Pastor Michael had asked us to consider leading the Northeast Campus.

We are so excited to have this opportunity to partner in what God is doing in Northeast Edmonton. We love this city, we love our North Pointe family, and we are full faith for this new challenge. Ashley and I believe God has been shifting our hearts in this new direction for a while now. (Ask us about the story some time!)

God has been so kind to our church and new ventures like this are the by-product of God being at work in our congregation. This is only the beginning. Greater and greater days are still to come!

There will certainly be challenges and obstacles, however nothing worth doing is easy. We see this as a great opportunity for our church to expand our reach, create more space, and see God transform the lives of many people. Just as God has invited our family into this adventure, I believe God may be inviting you to be a part of it as well. Would you consider joining us on this journey?

With much love,

**Pastor Aaron Johnston,
Ashley, and Cecily**

Location

Northgate Lions Recreation Centre
7524 139 Ave NW, Edmonton, AB T5C 3H7

We will rent this space for our Sunday services

- We will load in and load out materials and equipment each Sunday
- Gear will be stored in portable trailers
- Video preaching via our NW campus most Sundays; Pastor Aaron will speak in-person once per month (this frees Pastor Aaron to spend more time during the week in the community and with people)

Long-term our plan is to have a permanent Northeast campus location closer to the Manning corridor.

Launch Date

Easter Sunday

April 20, 2025

What will we be doing?

- **Weekend services w/kids ministries**
(we will start with 11:00am, and add 9:30am as we grow)
- **Midweek Alpha**
- **Small Groups**

Launch Team Expectations

- Pray
- Attend (make this your home church for 1 year and then assess afterwards)
- Serve regularly (average twice per month)
- Give financially to North Pointe
- Invite

Serving Opportunities

- Prayer
