I Heard You Knockin'

I heard you knockin' on the door of my heart. Since You've come in Lord, we're never apart
We walk and talk for hours on end, My Lord and Savior, You are my best friend
My life was redeemed when I made room for the King
I heard you knockin' on the door of my heart
I heard you knockin' on the door _____ of my heart

Make my heart Your home, my heart Your home, Jesus You are welcome here
Make my heart Your home, my heart Your home, this Christmas and throughout the year
Shine Your light through me so the world can see, Lord live in me, my heart's Your throne
Shine Your light through me so the world can see, Lord Jesus, make my heart Your home

The Bible says there was no room at the inn, down in the little town of Bethlehem
If they had known that You were the King, would they have found You and opening
A manger bed to rest your head?
The innkeeper said "I have no room at the inn."
The innkeeper said "I have no room at the inn."

Make my heart Your home, my heart Your home, Jesus You are welcome here
Make my heart Your home, my heart Your home, this Christmas and throughout the year
Shine Your light through me so the world can see, Lord live in me, my heart's Your throne
Shine Your light through me so the world can see, Lord Jesus, make my heart Your home

I heard you knockin' on the door of my heart.
I know He's knockin' on the door of your heart
This Christmas won't you answer the door _____ of your heart?

Nothing is Impossible with God

Nothing is impossible, impossible with God, with God
When you're walking' in His ways, when you live for Him each day
Nothing is impossible, impossible with God, with God
All His plans you can achieve when you trust Him and believe

So put your faith in Him and let the miracles begin
'Cause absolutely, positively nothing is impossible with God.

God parted the Red Sea to set his children free
(Nothing is impossible with God)
He kept old Daniel safe from the lions in that cage
(Nothing is impossible with God)
He saved Noah in the ark; you can trust Him with your heart
And David with his sling would be a mighty king
When an angel did appear, Mary heard it loud and clear
That nothing is impossible with God

Nothing is impossible, impossible with God, with God
When you're walking' in His ways, when you live for Him each day
Nothing is impossible, impossible with God, with God
All His plans you can achieve when you trust Him and believe

So put your faith in Him and let the miracles begin
'Cause absolutely, positively nothing is impossible with God.

And with no hesitation, He spoke and made creation
And through the gift of His own Son, He brought life for everyone!

Believe it! Nothing is impossible, impossible with God, with God
When you're walking' in His ways, when you live for Him each day
Nothing is impossible, impossible with God, with God
All His plans you can achieve when you trust Him and believe

So put your faith in Him and let the miracles begin
'Cause absolutely, positively nothing is impossible with God.

He'll give you wisdom and favor, make you wiser and braver
And any task he asks of you, He will give the strength to do
For nothing is impossible with God!

Wise Guys

Like those wise guys, those Magi who saw the light that led them through the night
I wanna be wise too, in all I say and do, so where You lead, Lord, I will follow You!

Wherever You lead me, I'll gladly go. Wherever You call me, Your voice I'll know
Wherever Your light shines the path I'll see, for I know You're watching over me

Like those wise guys, those Magi who saw the light star and travelled from afar
I wanna be wise too, and always look to You, so be my Guide and let Your light shine through

Wherever You lead me, I'll gladly go. Wherever You call me, Your voice I'll know
Wherever Your light shines the path I'll see, for I know You're watching over me

Walkin', walkin', walkin' in the light
Like those wise guys, like those Magi
I wanna be walkin', walkin', walkin' in the light

Walkin', walkin', walkin' in the light
Walkin', walkin', walkin' in the light
Like those wise guys, like those Magi
I wanna be walkin', walkin', walkin' in the light
I wanna be walkin', walkin', walkin' in the light
I wanna be walkin', walkin', walkin' in the light
YEAH!

Let's Go and Tell the People Today! (with Go Tell It on the Mountain)

Somebody's got to tell the world about Jesus, somebody's got to tell them He is the way
I'll be the one to share the love of Jesus, I'll go and tell the people today!

Somebody's got to tell the world about Jesus, somebody's got to tell them He is the way
I'll be the one to share the love of Jesus, I'll go and tell the people today!

They spread the word, sharing all that they heard that Jesus Christ was born that day
And all were amazed at what they proclaimed that extraordinary day!

Somebody's got to tell the world about Jesus, somebody's got to tell them He is the way
I'll be the one to share the love of Jesus, I'll go and tell the people today!

The news went out, not by riches or wealth, it was not by a scholars voice
The message was plain and it only remained, then shepherds were His special choice

Somebody's got to tell the world about Jesus, somebody's got to tell them He is the way
I'll be the one to share the love of Jesus, I'll go and tell the people today!

We've got to go and tell it on the mountain
Over the hills and everywhere
We've got to go and tell it on the mountain
That Jesus Christ is born

Somebody's got to tell the world about Jesus, somebody's got to tell them He is the way
I'll be the one to share the love of Jesus, I'll go and tell the people today!

Let's go and tell the people today

We've got to go and tell the people today!

Time to Begin

We lit the tree, we hung the lights, we're ready now, this is the night!

Who will we see, who will attend? From everywhere, neighbors and friend!

We sent out a ton of invitations and received a couple reservations

We sent the text, we made the call, and got the word out at the mall

We spread the news on Channel Four, inviting all, knocking on doors

Everyone received the invitation

Let's begin this Christmas celebration!

Come right on in

Time to begin!

Who will appear?

Look who is here!

Merry Christmas!

What Will You Do

What will you do with Jesus? What will your answer be?

Will you receive Him in your heart this Christmas? Will you crown Him as your King?

Tell me, what will you do with Jesus? Your answer is the key

Someday your heart, your heart will be asking "what will He do with me?"

Like Mary we learned in trusting we'll see that nothing is impossible when you believe

And like the shepherds long ago we can't wait to share the news

And tell the whole wide world that He was born for me and you

Tell me what will you do with Jesus? What will your answer be?

Will you receive Him in your heart this Christmas? Will you crown Him as your King?

Tell me, what will you do with Jesus? Your answer is the key

Someday your heart, your heart will be asking "what will He do with me?"

And like the Wise Men from afar who came to worship the King

I have come to give You Lord, a praise offering

Hark! The herald angels sing, "Glory to the King!"

I will be Your messenger and serve You joyfully

What will you do with Jesus? What will your answer be?

Will you receive Him in your heart this Christmas? Will you crown Him as your King?

Tell me, what will you do with Jesus? Your answer is the key

Someday your heart, your heart will be asking "what will He do with me?"

Someday your heart, your heart will be asking "what will He do with me?"

Jesus, what will You do _____ with me
